Dear Julissa,

Thank you very much for the time you spent teaching our medical students in the Longitudinal Integrated Clerkship (LIC) today during the Advocacy Pathways Q&A. We recognize that it takes a substantial commitment to education to dedicate the time and effort spent today with these students. We are very grateful for your investment of time and energy in the education of our students.

Please retain a copy of this letter as evidence of your ongoing contributions to the educational mission of the University of Colorado School of Medicine. It has been our pleasure working with you.

If you have any questions, concerns, or feedback about the small group sessions, please do not hesitate to reach out.

Thank you again for your time and effort on behalf of our students, we appreciate you.

Sincerely,

UCH Quality & Safety LIC
