

The Power of Cultural Validation

SIGN UP

12:00 pm to 1:30 pm - November 14, 2023
100 Spader Way, Heritage Room 2
and online at meet.google.com/mgi-ojhx-nzw

This training introduces the importance of utilizing Cultural Validation in preparation for interacting with vulnerable and marginalized populations and communities, particularly in health and public health settings. Learners will be able to understand the importance and effectiveness of Cultural Validation, how Cultural Validation increases desired outcomes (i.e. numbers of vaccines delivered, clients served, etc.), and receive step by step instructions for implementing effective Cultural Validation processes in their own public health equity activities.
